

HILL HOUSE INTERIORS

Founded more than 25 years ago, Hill House Interiors' continuing success is all down to the creative bond between Jenny Weiss and Helen Bygraves. With a 30-strong team now behind them, and outposts in Surrey and Dubai, the pair's elegant and tailored style, full of subtle texture and harmonious colour, has garnered them repeat clients all over the world.

*"The Design Centre is the beating heart of our world. It's a constant source of inspiration, bringing the design community together with inspiring talks and events"*
